Grouse Mountain Grill is currently in its 23rd year of operation and the wine program continues to keep pace with an extraordinary chef, highly rated service staff, wonderful clientele from around the globe and the demands of a world-class ski resort here in Beaver Creek, CO. We offer approximately 375 different wine selections on the list representing mostly American and Western European viticultural areas with a few fun surprises from unusual areas. As wine director, I have tried to maintain a simple yet faithful mission statement in order to give our guests the best possible wine experience:

- 1) Provide mostly smaller production, sustainably farmed wine from producers who stake their reputation on quality.
- 2) Represent several of the world's best viticultural areas with a variety of styles within each. Traditional styles alongside modern styles, for example.
- 3) Choose wines that serve to compliment the menu rather than upstage the food.
- 4) Have something for everyone and not only focus on the wines that are my personal favorites.
